**HELP**

The *MLA International Bibliography* is a classified listing and subject index of scholarly books and articles on modern languages, literatures, folklore, and linguistics which has been compiled by the Modern Language Association of America since 1921. The electronic version includes indexing from 1963 onwards, and currently contains more than 1.7 million records. In addition, the *MLA Directory of Periodicals* gives full information on over 7,100 journals and book series.
